#### **ARTIST'S STATEMENT**

Inspired and delighted by the beauty of landscape, I try to express the awe and wonder I feel through a variety of media on paper. I am fascinated with the effects of light on the colors and textures of the landscape, and with the rhythms and patterns of the shapes therein. I hope to evoke in the viewer some of the pleasure, peace and joy I feel when experiencing and contemplating our natural world in the form of the landscape, and to inspire the desire to protect our precious open and wild spaces.
